# Class History

In September of 1952, three hundred and thirty excited Sub-Freshmen were eagerly waiting in the auditorium of the Junior High School to be assigned to their respective homerooms. As we scanned the sea of faces surrounding us, we tried to imagine the totally new routine ahead and wondered if the time would come when we would know each of our classmates. It seemed an impossibility. The first few days were extremely confusing. Going from class to class seemed strange indeed. Upper-classmen, expecially Seniors, were to be admired and envied. We couldn't participate extensively in school activities, but did elect representatives to the Student Council, Red Cross, and Wi Hi News. Many of us performed in the operetta "The Gypsy Rover." A classmate, Dot Hopkins, represented the Eastern Shore at the National Spelling Bee Contest in Washington, D.C. With the spring came the annual May Day and our class was ably represented by Susan Deputy, Billye Parks, Delores White, and Bobbie Lee Lloyd.

Back again! This time as Freshmen! We had a feeling of belonging and could participate more extensively in the school activities. With the new freedoms came a feeling of more responsibility and our goal to become Seniors, although still out of reach, seemed more attainable as the months speedily passed. We again elected representatives to the school service clubs and many of us joined the other clubs. Janet Emerson was elected Secretary-Treasurer of the Student Council, and Sandra Morgan was our representative at the Winter Carnival. May Day again heralded the end of our year, and a significant one it was. Delores White, Ann Dashiell, and Phyllis Chambers were our choices for the May Court. It was an eventful year full of pleqsant memories; however, we were all saddened by the death of a dear friend, Catherine Gunby,

affectionately called "Casey".

The new school year began with a bang! We entered the brand new Wicomico Senior High School as its first Sophomore class. The Seniors had nothing on us this time, they were lost too. The problem was soon solved with the issuance of maps. The breezeways were especially nice in the fall and spring. Now there were three grades instead of five, which was an important factor in making a united student body. Mary Ann Kennerly was chosen to represent us at the Winter Carnival. Our Sophomore Dance was a big success and was enjoyed by all who attended. This year Jackie Keeling, Bobbie Lee Lloyd, and Glenda Bailey were our May Court representatives. Janet Emerson was elected Secretary-Treasurer and Charles Dixon Second Vice President of the Student Council. Our Student Council received word that it had been elected President of the Maryland Association of Student Councils. So ended our first year in Senior High.

Junior! That name was almost as pleasing to our ears as Senior. The year started with much excitement and confusion, for the entire school was being turned upside down in preparation for the M.A.S.C. convention. The big problem was to find temporary residences for the delegates. (We would like to say to last year's Seniors, "For such a tremendous undertaking, you did a great job, and we were glad to help.") Our Junior of-

ficers were: Bruce Wilson, President; Charles Dixon, Vice President; Ann Hill, Secretary; and Irma Jean Dodd, Treasurer. We were delighted to have with us an exchange student, Helle Nielsen, from Denmark, who also was chosen our representative to the Winter Carnival. When Helle left us to return home, she left many friends behind. "Our Town", the Junior Class Play, was a tremendous success due to the hard work of the cast, directors, and committees. Spring brought much excitement with the annual Student Council elections. Charles Dixon was the unanimous choice for President and Q. Johnson was elected First Vice President, both terms to begin the following year. For the first time the American Field Service selected two students from our school to visit Europe the coming summer. The lucky ones were Susan Williams and Tom Roe. We were represented in the May Court by Carollyn Coghill, Julia White, and Ann Dashiell. Next came the Junior-Senior Banquet with the Juniors doing a good job preparing and arranging for the banquet as well as presenting a new form of entertainment-a resume of the Council's activities and achievements.

The class of '57 were Seniors at last! This was the year that would surpass all others in our memories. The year began with the election of Senior Class officers: Tom Roe, President; Bruce Wilson, Vice President; Mary Ann Kennerly, Secretary; Carollyn Coghill, Treasurer; and Irma Jean Dodd, Historian. Brenda Richardson was elected Winter Carnival Queen and all who attended agreed it was a wonderful dance. One of our fondest memories will be that of our 1956 Wicomico Indians football team which was undefeated and untied. JoAnne Phillips was elected editor of the TOM TOM and Thomas Gray was elected business manager. Elsa Georgiou, our exchange student from Greece, will be the first exchange student to graduate from our school and we feel fortunate in having had her. Both Elsa and Helle have done a good job promoting good will between our countries. "Dear Ruth", our Senior Class Play, was an exceptional comedy, enjoyed by all. The Seniors' trip to Annapolis was very interesting. We learned additional things about our legislature that are not in our text books. When time came again for Student Council elections, we were rather sad not to be participating as actively as before; however some of us were asked to be campaign managers. The Junior-Senior Banquet was held for us this time with the Juniors bidding us farewell, bringing more forcibly to mind that soon the portals of Wi Hi would be closing behind us. Now came the Senior Prom, our final dance, which we had planned for months. Needless to say, our dearest dreams were fulfilled, for no word but marvelous could describe the wonderful time we had. Many deserving Seniors were presented awards which they will always cherish. Later came Baccalaureate and at last Commencement. These were the proudest and happiest days of our lives; yet they were also sad days for we realized we were parting with those of whom we thought so much. We have only the best of memories to look back upon, and they will be treasured by us for years to come.

#### Newcomers to Our School

OUR NEW TEACHERS, L. to R.: Mrs. Cecilia Daugherty, Mr. Elwood Roche, Miss Dixie Armes, Mr. Warren Squires, Mrs. Mary Roth, Mr. Carl Dumire. Mrs. Daugherty was replaced by Mrs. Scott in February.

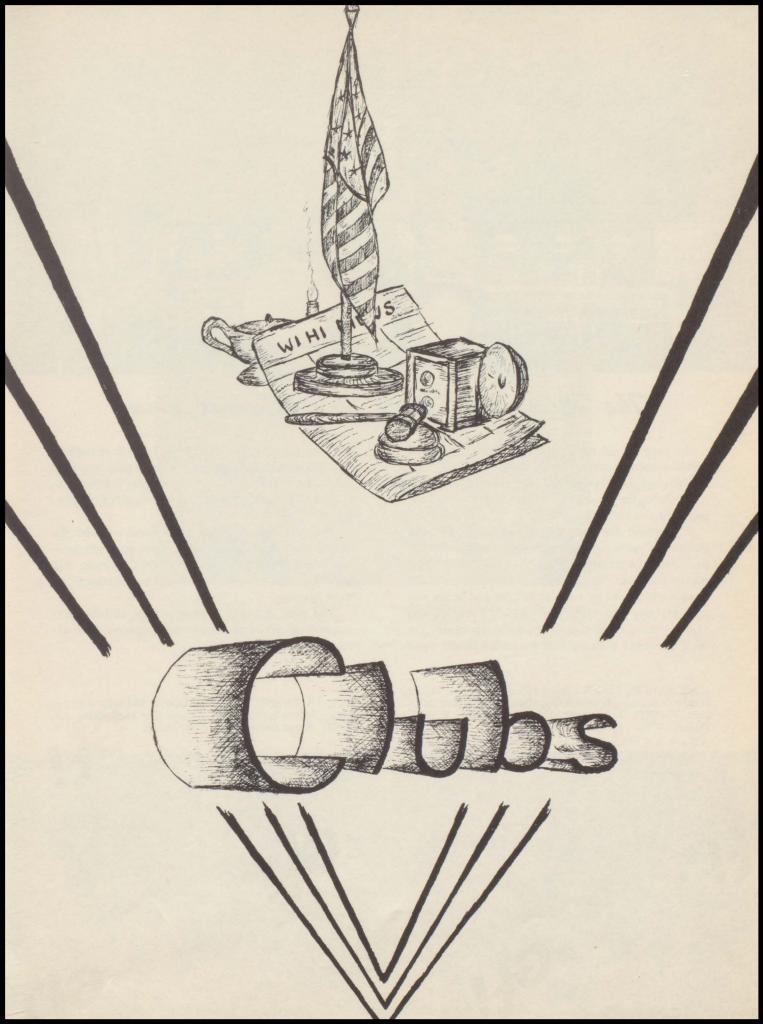

#### Our Exchange Student from Greece

This year we were honored to have had at Wi-Hi our second exchange student, Elsa Georgiou from Corfu, Greece. Elsa's trip was sponsored by the Soroptimist Club of Salisbury through the American Field Service which annually arranges trips for foreign students.

During her year at our school, Elsa was very active in extracurricular activities. She was elected parliamentarian of the Future Teachers of America and served on committees in the Senior Class Play. The Student Council selected her as an honorary member.

Elsa has the distinction of being the first foreign student to graduate from our high school. We hope that she will take back to her home a better understanding of how we in America live. She will always be remembered with fondness and we hope that she will always hold dear the memories of Wi-Hi.

## The Wicomico Senior High School Band

To keep Wi-Hi students stepping lively, the band provides instrumental music for many functions.

The band played at football games, providing peppy music during the games, and a half-time show including drills and formations.

Throughout the fall, winter, and spring, the band played for radio and television programs, parades, assemblies, PTA meetings, pep rallies, and special community functions. In February, seven members of the band were chosen by audition to take part in the annual Maryland All-State Band, held in Annapolis this year. Settling down to a more serious repertoire, the band presented their annual concert in March. April

## Student Council Enjoys Another Successful Year.

When the 1956-57 Student Council first met on September 20, the new presiding officers were Charles Dixon, President; Q. Johnson, 1st Vice-President; Mike Bloxham, 2nd Vice-President; and Anne Skirven, Secretary-Treasurer. Mr. Robert Eckert was the faculty advisor.

The purpose of the Student Council is to promote school interests, to assist in aiding the best relationship between students and teachers, and to promote a more profitable school life through organized activities.

Among its major activities this year the Student Council has edited a Welcome Booklet to help familarize the new sophomores with the school and its functions. "Keep Your School Clean" was the slogan for a successful, all-out clean-up campaign, headed by the Student Council in the spring. A high-

The Future Teachers try to gain information about the teaching profession. Among their projects were a scholarship and an openhouse for members of other Future Teacher clubs on the Eastern Shore. To raise money for their projects they worked at concession stands and served at banquets.

The members of the club visit local schools and have guest speakers in order to gain knowledge of teaching methods. It is both a state and national organization. Representatives from the Future Teachers Club visited the state conventions which were held in Bladensburg and Towson, Maryland.

The Stamp and Coin Club has eleven members this year with Miss Florence-Byrd Allen as faculty advisor. The club meetings are held bi-monthly and many of the meetings are devoted to examining and trading stamps and coins which the members have brought in. This year the stamp club has seen a film strip about the making of stamps. They have also arranged an exhibit in one of the display windows in the school. Members of the club have found in the meetings an opportunity to improve their individual collections and to learn more about the different stamps and coins.

#### Radio Club

The Wicomico Senior High School Radio Club was organized to aid its members in their study of electronics and to promote further interest within the school.

The main project of the club has been instruction in electronic theory, starting from the most basic and progressing to the more complex. To those who desire it, instruction is also available in the additional material needed for an amateur license. Any test equipment which belongs to the club may be borrowed by the member.

The Projectionists Clubs are school service clubs in the true sense of the word. The clubs' objectives are to teach all members to show movies and slides; to operate the tape recorder and other machines used as audio-visual aids; and to help teachers when they wish to use these materials.

The club faculty advisor and instructor is Mr. Vernon Giffin, who meets with the boys twice a month and teaches them the proper methods of operating the various machines. The club meets in a room in the library

building designed especially for the purpose of showing movies, slides, etc. Having the use of this room enables the members to keep the machines nearby for demonstrations during club period.

This year the Projectionists Clubs proved to be so popular that it was necessary to form two clubs. The names of the clubs are the Film Hounds and the Film Fiends. The Film Hounds' President is Leslie Heineken, and the Film Fiends are headed by Howard Culver.

Dear Ruth,

February 20-21, 1957

Tonight we presented your play. It was the story of a teen-age girl, (Billye Parks), who carries on a correspondence with an overseas soldier, (Bill Phillips), but signs her older sister's name (Lucille Jones) to the letters. He comes home to marry Ruth only to find that she is already engaged to Albert Kummer, (Tom Gray).

Mr. and Mrs. Wilkins, (Harlan Elliott and Brenda Kerpelman), are very upset when they learn what their daughter has done, but do not interfere when Ruth has a change of heart.

As Ruth and her Lieutenant rush off for married life in Florida, the maid, (Janet Emerson), announces that another boyfriend, Harold Klobbermeyer (M. P.

Minton), has returned to see her. Our play was directed by Miss Florence Byrd Allen, dramatics instructor, and the student directors Elaine Owens and Jim Truitt. Not to be forgotten are the many committees who were responsible for the play's success. The properties committee was headed by Irma Jean Dodd; Elena LeBel was in charge of

publicity; Jean Jester was chairman of the make-up committee; Charlotte Anderson headed the ticket committee; Charles Riggin was responsible for sound effects; Frank Parker was chairman of the setting and stage; Bruce Wilson was in charge of lighting; and Nancy Farlow was responsible

for costumes. The cast is indebted to its prompters, Mary Ann Kennerly and Carolyn Jones. The committees are grateful to their faculty advisors: Mr. Eckert, Miss Farlow, Mrs. Smith, Mrs. Roth, Mr. Guiliano, Mr. Howard, and Mr. Giffin.

The play was a great success and proved to be worth all of those hours of hard work and practice. Thanks again, Dear Ruth, for everything! Sincerely,

# The Junior Class Presents "Mother Is a Freshman"

"Mother Is A Freshman", a three-act comedy by Raphael David Blau and dramatized by Christopher Sergel, was presented by the Junior Class in the Junior High School auditorium on May 1 and 2.

The play concerns an attractive young widow, Abigail Abbott (Connie Cooper) who is forced to attend college with her sophomore daughter, Susan (Susan Dashiell). Abby was improvident with their savings and the only way she can keep her daughter in college is to take advantage of a scholarship for anyone whose first two names are Abigail Fortitude.

Dean Gillingham (Ronnie Willey), is quite upset by Abby's presence at Pointer College and looks for an excuse to expel her. Professor Michaels, the zoology teacher (S. J. Disharoon), falls in love with Abby. However, Susan is also in love with Professor Michaels, as are most

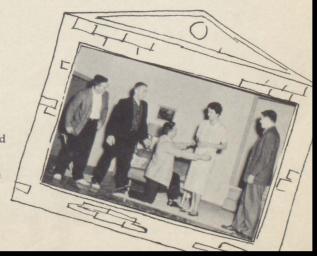

of the girls at Pointer. Bobo Jackson (Mike Kitzmiller), who is Susan's boy friend, doesn't have much chance.

# Hold a Banquet

#### For Seniors

On Friday evening, May 31, the Junior Class staged a banquet for members of the Senior Class. Decorations were done in yellow and white with the speakers' table bearing the motto: "In ourselves our future lies".

After the turkey dinner had been served and honored guests had been introduced, short speeches were given by officers of the two classes. A highlight of the program was the reading of the class will. Several members of the chorus furnished the entertainment. The singing of the Alma Mater closed the program.

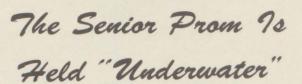

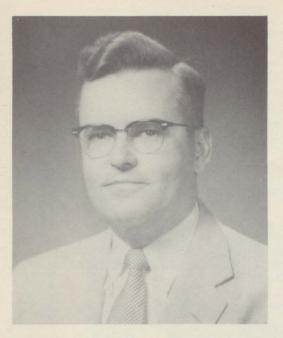

To give the affair the proper atmosphere, the decoration committee had built a large ship, THE UNDEFEATED, had surrounded the room with a reef of coral, placed yards and yards of fish nets around the ceiling, and topped everything off with brightly colored fish and seaweed covered poles.

Bob Fields' orchestra furnished the music and there was a great deal of entertainment. Refreshments were served by the underclassmen and the dance was followed by a party at the Elk's home given by the parents. It was a most unforgettable evening!

# Sermon Is Given to the Graduates

Reverend William Carey Ballbach

"Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

Philippians 3:13-14

This was the scripture from which Rev. William Carey Ballbach took his sermon given to the graduates on June

2, 1957, at Wicomico Junior High School.

Rev. Ballbach stressed the importance of forgetting the past, living for the future, and always pressing on-ward to the mark. "A farmer who looks back at the furrows he has plowed behind him cannot make a straight furrow ahead of him," Rev. Ballbach pointed out. At the close of the sermon, the graduates in their caps

and gowns walked out of the auditorium as they had come

in, to the music of "Pomp and Circumstance"

#### "In Ourselves Our Future Lies"

Class Orator, Tom Gray, delivered the welcome speech, at the commencement exercises. He stressed the importance of our teachers as builders of a successful future and pointed out that we, as young adults, should put dependence in ourselves and faith in God in order to be a success.

"In Oursevles Our Future Lies", the motto of the senior class, was chosen as the topic for the address to the graduates during commencement on June 7, 1957, in the auditorium of the Salisbury State Teachers College.

Dr. William E. Arnold, dean of the School of Education, University of Pennsylvania, emphasized the fact that satisfaction and happiness in life must come from the resources built within the individual by himself.

The good, satisfying things in life are not always the big things. The individual role may be small but it can be meaningful and can bring happiness, the speaker said, as he defined education as "trying to help young people build inner resources."

"As a man thinketh, so is he," Dr. Arnold quoted, reminding the graduates that "what you put into your minds will be the key to your happiness."

Reading excerpts from an article in Harper's Magazine of 1857, he compared the so-called "gloomy moment in history with Russia hanging like a cloud" to today's world situation. With automation, new and faster machines, new types of heating, materials for clothing, food, increased numbers in mental institutions, increased leisure, man must use his leisure time well or be destroyed, he said.

Mr. William B. Jones spoke briefly to the graduates as he presented them for their diplomas. He eulogized them for "having accepted their responsibilities as citizens" and wished them success in continuing to

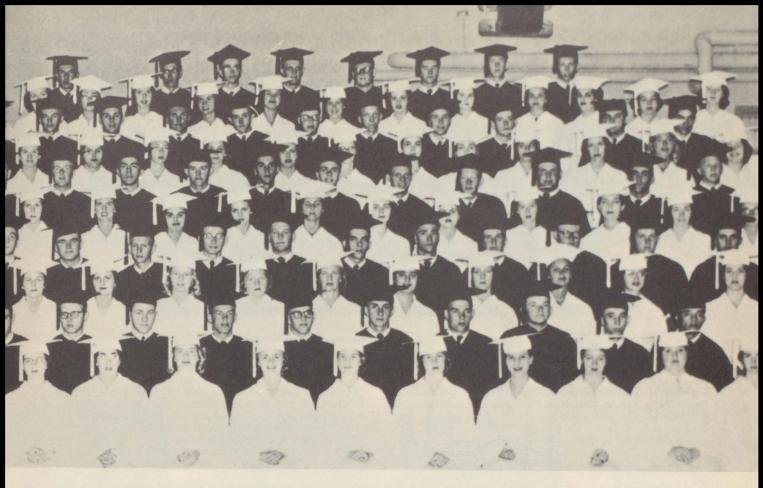

Brig. Gen. Amos W. W. Woodcock, President of the Wicomico County Board of Education, presented the diplomas to the two hundred and fourteen graduates, sixty-two of whom were honor students with an average of B or better during four years of high school. General Woodcock's parting words to the graduates were, "Don't be afraid."

cock's parting words to the graduates were, "Don't be afraid."

The Reverend Clayton W. Hammell, pastor of Bethany Lutheran

Church, gave the invocation and benediction.

Mrs. Orlando Wootten, music instructor, directed the graduates in the singing of "You'll Never Walk Alone."

#### 214 Seniors Are Graduated

Gathered as a group for a solemn moment, the Class of 1957 realize that commencement means a change of scene in the play of life. Some will enter college to continue their education, some will go into service in hopes of seeing the world, while others plan to begin their vocation as soon as they graduate.

It is only after the experience of being alone that we look back on the everyday things in our high school days which meant little, but are now the bright spots in our memories. The happy conversations at the lunch table, the planning of the plays and dances, that exciting football game, and all of the other joyful experiences seem to roll out the calendar of those wonderful days and give us that added strength to go on. Yes, the present has slipped away, taking with it our friends, our school days, and our good times; but the memories of them will always walk with us. As our class song says, "You'll Never Walk Alone".

At the last rehearsal for the big event, the graduates rehearse the processional. The seniors owe a great deal of thanks to Mike Kitzmiller, who unselfishly gave his time and talent so that the great day might be a success.

#### They Did It!

For the first time in school history, the Indians tomahawked their way to an undefeated and untied season. Eight wins, some by wide margins, were registered in this victory march. Only once were the Indians seriously challenged, and that was by a previously undefeated Bel Air team. The team finished the season with a victory string of ten games, two having been carried over from last season.

The Tribe, showing typical first game nervousness, won a close, 9-0 game against Seaford. Against Aberdeen, after a tied first half, they broke loose in the second half to win 32-13. Milford was easily defeated, 42-13. The Indians ran wild against Laurel and Coach Knapp emptied the bench in a 67-0 rout. Using the single-wing offense for the first time this year, the Tribe defeated a small but scrappy Edgewood team. Next came highly touted Bel Air, undefeated in twenty-four games and last beaten by Wi-Hi in 1953. The Indians went into the game a three touchdown underdog and came out on top by a score of

25-21. This was the high point of the season and was also the best game of the year. Overconfident after their victory over Bel Air, the Indians had to fight hard to beat a surprisingly tough Annapolis team, 20-0. The traditional Thanksgiving Day battle with Cambridge was next, and the Tribe, seemingly inspired by the thought of an undefeated season, marched unchecked from the start and won, 66-0.

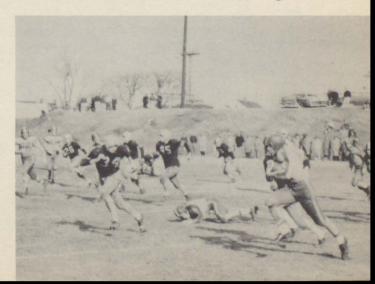

Eighteen seniors, including the entire first team, were lost by graduation. They were Charley Dixon, Tom Colonna, Malvin Minton, Bob Sample, Bruce Wilson, Tom Midkiff, Leslie Heineken, Jack Towers, Tom Focht, Ronnie Alexander, Q. Johnson, Bill Phillips, Ted Dykes, Fred Roberts, Ronnie Hearn, Richard Shockley, Bob Brown, and Wayne Morris.

Every Indian on the first team scored at least one point. Top honors went to Tom Colonna with 61 points, closely followed by Charley Dixon with 60.

Go, Charley, go!

Another Touchdown in the making.

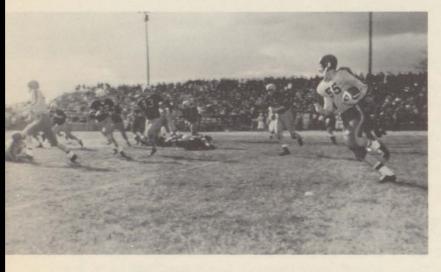

One Indian is worth two Bobcats.

Hold 'em, line!

Closing its fifth season, the hockey squad of Wi Hi leaves a successful record of five wins, two ties, and two losses. The team, coached by Miss Mary Morling Troy, won twice over North Dorchester and Easton, once over Cambridge. Crisfield and Cambridge proved as good as the Lassies in the scoring of one game apiece, but Wi Hi was the victim of a defeat when playing Laurel and a second game with Crisfield.

A fast working offense consisting of five on the forward

line was able to drive in a total of fourteen goals this year. The individual scoring was led by Nancy Christensen and Jane Schiller.

Of course scoring is important, but not to be forgotten is the stalwart defensive play of goalie Elaine Owens. Throughout the season Elaine made about twenty-five saves. Assisting her were fullbacks Judy Isenhour, Janet Emerson, and Lucille Jones.

Lettermen for 1956 were seniors Jane Schiller, Elaine Owens, Janet Emerson, Lucille Jones, Nancy Christensen, Betty Smith, Adrienne Nock, and Judy Isenhour; juniors Judy Cooper and Sue Stein; and sophomores Pat Hendrickson, Nancy Maguire, and Nancy Emerson.

Eight graduates leave future teams to achieve and surpass the 1956 hockey record.

#### Rebound—Pass—Dribble—and Shoot!

The boys' basketball team, coached by Mr. Squires, had a very successful season, winning twelve games and losing three. The team had a colorful year with many thrilling games. Two of these games were lost by a few points at the hands of Cambridge. The climax of the season was at Aberdeen, when our inspired quintet came from behind to upset Aberdeen by one point. Over the entire season, the Indians outpointed their opponents to the tune of 917 to 775.

Wi Hi advanced to the state tournament at College Park, but they lost out to Frederick, who went on to win the Class A title.

The year's big guns for the Indians were Leslie Heinekin, Rocky Burnett, and Ronnie (Lefty) Hearn. Not to be overlooked is the great rebounding and defensive play of Tom Colonna. Seniors playing their last for the Indians include Tom Colonna, Ronnie Hearn, Leslie Heineken, Bob Wilson, Jerry LeCates, Tom Midkiff, Bob Brown, and Tom Roe.

This was Coach Squires first season at Wi Hi and he is to be congratulated for doing such a good job. After the close of the season, the varsity basketball members were the guests of the coach for a good homecooked meal.

Even though four starting players will be lost through graduation, the Indians should have a good team next year. The Junior Varsity, coached by Mr. Roche, posted a record of 7 wins and 4 losses. The members of this squad were Russell Smith, Carol Wheedleton, Neil LeCompte, Steve Cooper, Mickey Bloodsworth, Don Townsend, Phil Cooper, and Noel Farmer.

We wish next year's team the best of everything, and we know that they will have a successful season.

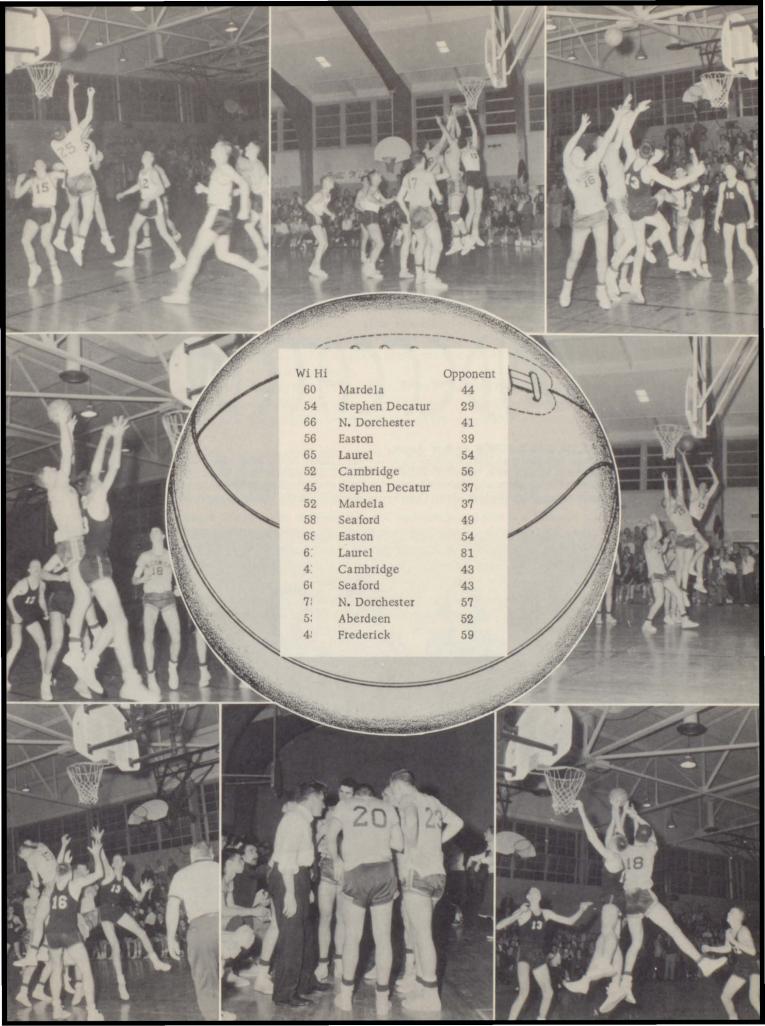

Left to Right: Bob swishes another one. Coach Squires discusses a new play with co-captains Ronnie and Tom.

# Volley for Serve Spike 9t, Wi Hi!

The Wi Hi volleyball team ended its fourth season with a record of five wins and seven losses. The girls played dual matches with North Dorchester, Mardela, Easton, Cambridge, and Princess Anne; however, they were completely successful only in opposition with Princess Anne and Mardela and half-way victorious against North Dorchester.

Peggy Hitchens, Anne Hill, Jane Schiller, Charlotte Gunby, and Myrt Crowe, all seniors, were spotlighted in high scoring positions throughout the season. Others, however, whose teamwork was essential are Elaine Trice,

Jane Schiller helps the ball over for a score.

Dorothy Hopkins, Carol Orman, and Beverly Ingersoll.

This year there was a new addition to the team besides green players. Miss Peggy Barnhill stepped into the volleyball picture as head master.

Though a few losses adom the record for this team of 1957, it can be said that both coach and athletes were successful in good sportsmanship and relations with other schools as well as among themselves.

# Undefeated, No. 3

The baseball team finished its thirteen game season as Wi-Hi's third undefeated team. They now have a four year record of forty-six wins against only three losses, something of which Wi-Hi can rightly be very proud. All opponents were played and beaten twice except for Milford. The Indians scored 110 runs, and their opponents scored only 12.

The scores were as follows: Mardela, 5-1, and 9-0; Stephen Decatur, 5-3 and 18-0; Laurel, 2-1 and 11-0; Cambridge, 11-0 and 3-1; North Dorchester, 12-2 and 18-0; Easton, 7-1 and 1-0; and Milford, 8-3.

Pitchers Ronnie Daniel and Nicky Nichols continued

their winning ways, Daniel winning seven games, five of which were shutouts, and Nichols winning six. Both boys pitched the same number of innings.

The leading batters were: Bunky Brittingham, .514; Nicky Nichols, .390; Howard Bozman, .361; and Ronnie Daniel, .351.

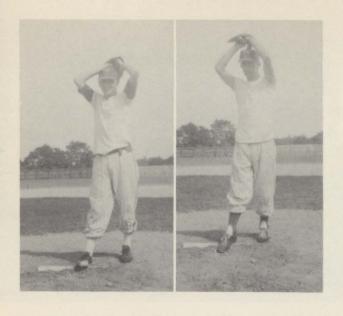

The most exciting games of the year were: Laurel, 2-1; Easton, 1-0; and an eleven inning, 3-1 win over Cambridge. During these games the spirit and hustle of the team proved to be the extra something needed for the wins.

FIRST ROW, L. to R.: Sue Colbourne, Ebba Christensen, Jackie Dickerson, Pat Hendrickson, Kay Todd, Patti Hamill, Pat Henderson, Julia White, Lucille Jones, Nancy Henderson. SECOND ROW: Nancy Shockley, Betty Smith, Joyce Murray, Nancy Christensen, Linda Curtiss, Donna

Powell, Jackie Miller, Ida Smith, Carol Lee Brasure. THIRD ROW: Sonnie Groton, Manager; Louise Smith, Linda Riggin, Ellen Kemmerer, Pat Oakley, Myrna Mae Campbell, Dottie Downes, Miss Mary Morling Troy, Coach.

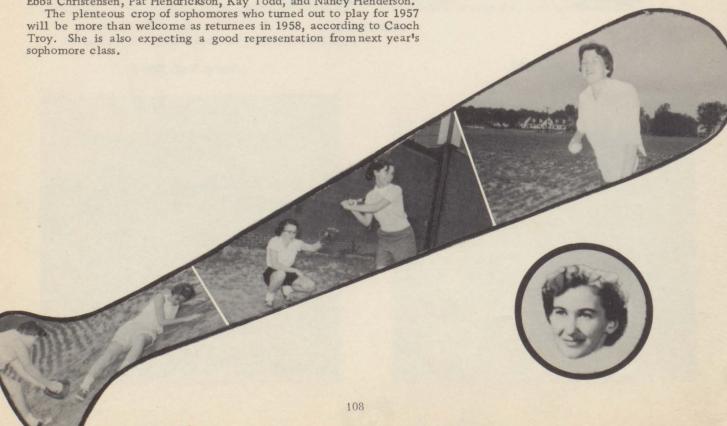

The 1957 softball nine, under the very capable leadership of Coach Mary Morling Troy, leaves behind it a most impressive record of seven wins and one loss. The squad scored double victories over Crisfield, Pocomoke, and Snow Hill, and one over Laurel. Its sole loss was due to a return match with Laurel.

Pitching the team to victory were Patti Hamill, boasting a 5 and 0 record, and Ebba Christensen, who accounted for the remaining 2 wins. Sophomore Pat Oakley was tagged with the defeat.

Pat Henderson was tops in the batter's box, averaging .475 for the season.

Lettermen for the Lassies this year were seniors Patti Hamill, Betty Smith, Nancy Christensen, Carol Lee Brasure, Myrna Mae Campbell, Dottie Downes; juniors Pat Henderson, and Ida Smith; and sophomores Ebba Christensen, Pat Hendrickson, Kay Todd, and Nancy Henderson.

The 1957 TOM-TOM, completed at last! Our deepest thanks to our advisors Mr. Clifton Hope, Mr. Dalton Howard, and Mr. Morris Jones, and to all of the others behind the scenes who so willingly gave their help and co-operation, in order that we might have this product of which we can well be proud.

With the completion of our high school careers we have reached the crossroads of life; and, realizing that "in ourselves our future lies", we must choose the right path.

We hope that in future years, as memories begin to fade, you will pick up your edition of the TOM-TOM and, through its pages, renew your high school experiences. We have endeavored to present them to you, just as they were, so that you may enjoy them always. Our "V" has signified our victories not only on the athletic fields but in every phase of high school life.
